

A Pie and Sadness

AN ADAPTATION OF THE STORY BY JILL TOMLINSON

One Saturday evening,
I went out to meet my friend.

May needed to prepare
his dinner alone.

He decided to eat a pre-made pie.

Soon, the pie was cooked

He picked up the pie
to move it to a dish.

Somewhere,
the pie fell through the foil bottom.

He was sad that he needed to
eat dinner alone, then he was extra sad
because of the accident with the pie.

After a while...

When I come back home,
May told me what happened.

So I could only
eat some pastry
and vegetables.

Oh, poor
baby. His ha-

I think I can
draw this.

I quite liked the story, so
I decided to draw it as a cartoon.

So, you must have
taken some photos of the
fallen pie, right?

I couldn't believe that
Max didn't take any photos of it!

I felt disappointed about it

I was hard on him.

So Alex said
he was sad again that day.

2 weeks later

Max needed to eat a pie again
for his dinner alone.

I'm going to make
it happen again and take
a photo for Perquius!

However, I don't
want to waste the
food so I'll put a dish
underneath the pie...

Then Penguin can
show this story. She
will be happy! He he

He he
One, two

However, whatever he did,
it didn't happen again.

So Her was sad
